Other popular requests:
Can you draw Phirre as
a pretty mermaid?

'Kay.

Wait, Phirre sees Kissae as
a guy, does that mean Phirre is gay??

No.
I just prefer punching your face in that—
What gender are you even ?
WOW!! You'd hit me? What if I'm a girl?
I punch a girl, I'm a prick.
I don't punch a girl, I'm sexist.

shippers cry a little, wan't yau~

Kissae's gender/appearance has nathing ta da with sameane's sexual arientatian. Same peaple prefer interacting with males, same rather deal with females.
